The Inn At The Convent

The Inn At The Convent provides quality boutique bed and breakfast accommodation.

Our beautiful old building opened on Sunday the 30th of January 1916 as home to the sisters of St Joseph. The Covent was sold in 2003 and In 2016 June Nevin purchased the building and has been restoring it to its former glory.

Each room is unique, with high ceilings and a warm atmosphere. June has an extensive art collection which adds to the charm of this beautiful old lady.

As well as a continental breakfast which is included in the Tariff, June offers home cooked meals and packed picnic lunches for an additional charge. We can also arrange private sight seeing trips.
We can also accommodate your pets on request.
