Harakeke Studio

Our Studio offers you convenience and comfort whether you are passing through Taupo or staying to enjoy the awesomeness of the region. We are 5 minutes from the intersection to go south to the mountains or north to the rest of the country. We are also very close to the airport if you need to arrive or leave via aeroplane.

If you would like to keep your Bicycle(s) or Motorcycle(s) under cover, we offer our garage as well as off street parking for your car.

The Studio space has indoor-outdoor flow with an outdoor table and umbrella in the summer months. Inside, the Queen bed is very comfortable and there is plenty of extra bedding if you need it.

We are situated close to myriad bicycle trails and can recommend places to visit either walking or riding.

You can make your own toast and simple breakfast in the studio or visit one of three cafes very close by for something more. Taupo offers a huge range of dining opportunities to suit all expectations. We can make suggestions depending on your requirements.
