

At Parkland Place

At Parkland Place is a large purpose built single level modern home. Situated next to an estuary, scenic reserves and farmland offers absolute peace and quiet with no road noise yet only a few minutes stroll to the beach or a five minute drive to Whitianga township.

All rooms are luxuriously appointed with En suite, large flat screen TV, clock/radio, writing desk, comfortable seating and quality Rimu furniture.

We have one very large room upstairs separate from the main house with a private bathroom downstairs.

Outdoors in the sunny picturesque garden area there is plenty of seating in or out of the shade also sun loungers to enjoy the summer days. Most of our guests enjoy sitting out here for a glass of wine and a snack. We provide all plates, glasses, utensils ect required. We have a BBQ which you can use or we often have BBQ evenings where all guests join in. Of course we can recommend and book for you many fine restaurants nearby.

We now offer an in house professional relaxation massage service including Hot Stone therapy, paraffin wax hand treatments and facial treatments with herbal steam cleansing. Bliss!
