Tracy's Boutique Cabin

Tracy's Boutique Cabin is set on 56 hectares tucked away in a rural valley that is less than one hour from Auckland's Harbour Bridge.

The Cabin is nestled away on our property and has elevated views of the farm. The Cabin is accessed from a private driveway, with on-site parking. Guests can enjoy a generous breakfast hamper every morning with continental and gluten-free options. Tea, coffee and milk is already provided in the accommodation.

For those guests who would prefer a gourmet cooked breakfast prepared by their host Tracy, that is available for an extra charge of $25 per person/daily.

The large open plan space offers a kitchen, bathroom, seating area, dining area and an ultra-comfortable king size bed. The bathroom has a shower and toilet for your private use. Sumptuous towels and toiletries are offered.

There is also a lovely wood burner that is great when the weather cools down.

The couch can be converted into a bed with a plush feather topper for maximum comfort, so the capacity of The Cabin is 4 people.
