

The Nenthorn Farmhouse

The Nenthorn Farmhouse at Havrincourt Farm offers a peaceful country stay on our working sheep and beef farm in the Nenthorn Valley, East Otago.

Surrounded by open farmland and rolling hills, the farmhouse is ideal for Otago Central Rail Trail cyclists, Southern Way 1000 and self-drive travellers, couples, families and small groups. It sleeps up to 5 guests, with two bedrooms, a sleepout plus a double sofa bed, and has comfortable living areas, a full kitchen, bathroom, laundry and Wi-Fi.

Complimentary self-drive vehicles make it easy to include Havrincourt in your journey. Rail Trail guests can collect a vehicle from Hyde Railway Station for the approximately 25-minute drive to Havrincourt, returning it to Hyde the following morning. Taieri Gorge Train passengers staying two nights or more can use our vehicle from Pukerangi Railway Station. Vehicles are for one return journey and subject to availability.

Our generous breakfast hamper includes home-baked bread when available, butter, jam, farm eggs, homemade granola, yoghurt and fruit compote, milk and bacon. Pancake or waffle ingredients are also provided, along with complimentary hot drinks and a fully automatic coffee machine.

Home-cooked dinners are available by prior arrangement. Havrincourt is a peaceful base for exploring Macraes, Middelmarsh and wider East Otago.
